Dear Ms Reyes,

Concerns : Amended Claim Form filing – Lehman Brothers claim filing

We are advisors to a large group of European investors in Lehman Brothers bonds that form part of the Lehman Brothers Securities Programs. We filed claim forms with Epiq for our clients who authorized and requested us to file their proof of claim.

However, certain investors have received blocking numbers and certificates from their banks before November 2nd, 2009, and are requesting us now to file the claim forms for them. We ignore whether their banks have filed the claim forms on their behalf.

We are therefore filing with this letter an amended claim form for each investor concerned, making use of the claim forms available on your web site. We attach for each client the required documents :

- Power of attorney allowing Deminor to file the claim form;
- Copy of blocking certificate, with a date prior to November 2nd, 2009.

We would appreciate if you could confirm us receipt of this letter and that the claims for these clients will be admitted to the Lehman insolvency proceedings.

For any questions regarding this matter, please contact Mr. Wim Borremans at +32-2-674.71.10.

Best regards,

Erik Bomans
